

Healthy Families

Community Garden Project

Family Luncheon

April 16, 2011

12:30 PM to 2:30 PM

Child and Family Services

31 John Clarke Road, Middleton, RI 02842

Come have a Healthy Meal & build community!

Come to our first community garden project event and family luncheon to support the healthy nutrition and well-being of children, youth, and families living in the East Bay region.

Learn how to start a community garden; help other local community gardens; connect to fresh food resources available in East Bay; and how to join TimeBanks.

Children's activities will include making pinwheels and planting them in our garden plot to help promote child and family well-being, for April is recognized as prevention of child abuse month.

The East Bay Community Garden project is being co-sponsored by the East Bay Family Care Community Partnership, Elder Volunteer program at Child and Family, Prevent Child Abuse RI, and the RI TimeBank Initiative at Parent Support Network.

***Come make a Difference!
Help Feed Families!!***

This event is open to families living in the East Bay community and any other interested community partners. Call to register with Maxine Heywood 1-800-483-8844/467-6855. Please let Maxine know how many children you will be bringing and if you are interested in volunteering on the community garden project with RI TimeBanks.
