

# The Internet Safety Toolkit

*a workshop for parents*

Do you know what these acronyms mean?  
Your child probably does. And you should too!

Tuesday – April 27

5:30 PM – 7:00 PM

Child & Family Services  
31 John Clark Rd., Middletown

This workshop is designed for parents to help them understand the power of the internet on the computer, cell phone and game consoles and to become more aware of the dangers of the “cyber-world”. Parents will leave this workshop with new knowledge and ways of protecting their children in today’s technological world.
